Preamble

The General Assembly of Maryland recognizes that a number of positions requested by State agencies for full-time employment could be filled by permanent part-time employees. When State agencies need additional employees they usually request new full-time positions. However, there are many well qualified citizens in Maryland who are unable to work full time.

It is the intent of the General Assembly of Maryland to establish a policy for permanent part-time employment in Maryland which would expand work opportunities at all grade levels for qualified applicants so that both the State Personnel System and taxpayers will benefit; now, therefore,
